NAVY LEAGUE of the UNITED STATES THE SAVANNAH COUNCIL of the NAVY LEAGUE

The Navy League of the United States was founded in 1902 and today has over 39,000 members in over 220 councils world-wide.

The Navy League has three missions – (1) enhance the morale of active duty personnel and their families (2) inform congress and the American public on the importance of strong sea services and (3) support youth through programs such as Naval Sea Cadet Corp., Junior ROTC and Young Marines that expose youth to the values of our sea services.

The Savannah Council of Navy League has over 225 active members and meets monthly the third Tuesday of the month at Carey Hilliard's on the South Side.

Councils, such as Savannah adopt ships and /or submarines.

Councils reward and honor enlisted personnel, host dinners and celebrations for military personnel and their families.

Councils support spouses and families through teaming with Sea Service FRG's (family readiness groups).

Councils participate in Military ceremonies, ship commissioning and de-commissioning, ship and base tours, base open houses, etc.

Navy League is a trusted civilian partner with the U.S. Sea Services – Navy, Marines, Coast Guard and Merchant Marine.

Membership for Navy League of the US (National) is as low as \$25/year and Savannah Council Membership (Local) is \$25 /year.

Savannah Council is always looking for new members who can actively aid us in our mission by serving on our Board of Directors, running for many of our management offices, leading and help in organizing our many activities, bringing us new ideas and concepts and actively helping where needed.

No prior military service is required to be a member of Navy League.

While every contribution is most welcome and appreciated, we would ask you to give serious consideration to becoming a member of

COMMANDER'S QUARTERS

Savannah Council's COMMANDER'S QUARTERS.

With a contribution of at least \$100.00 (more is certainly welcome and encouraged), you will automatically be enrolled for special recognition in the COMMANDER'S QUARTERS.
