

2011 YEAR in REVIEW

SAVANNAH
COUNCIL

Recipient of the Outstanding Council Award

2011 was a record year for Savannah Navy League interaction with all of our sea services. Highlights include:

- Our adoption of the **USS Alaska** (SSBN 729), and its Gold crew marching in the St Patrick's Day Parade
- Our annual Coast Guard Night at the Sand Gnats picnic / ballgame
- Our dinner meeting at USCG Station Tybee
- The welcoming home of our other adopted ship, **USS Samuel B. Roberts** (FFG 58), from her six month deployment

And there were many others as listed in the following pages. Each of these offered our members opportunities to show personal support for the men and women who are devoting years of their lives to the service of our country. We are looking forward to continuing our support for these patriots in 2012.
